

Tom

What is your sister like?

What does your sister look like?

Lucia

My sister is very young. She's 18 years old. She's smart and serious. Also, she's nice and hard-working.

Pablo

I think she's pretty. She is medium-height and slim. She has medium-length curly brown hair. Her eyes are black and she has a small mouth. She has dark skin.

PART 1. Study the contents from the following links to learn and practice using adjectives that describe people's personality and physical appearance.

PART 2. Now use your imagination and write about these people's personalities.

For example:

I think Lorna is young. She's about 20 years old. She's intelligent and outgoing. Also, she's nice and creative.

Use these expressions to write four sentences:

1. I think _____

2. In my opinion _____

3. In my view _____

4. From the picture I can say that _____

PART 3. Again use your imagination to write about the young people's physical appearance.

For example:

In my opinion Lorna is tall and slim. She has long straight blonde hair. Her eyes are blue and she has beautiful long legs. She has white skin.

Use these expressions to write four sentences:

1. I think _____

2. In my opinion _____

3. In my view _____

4. From the picture I can say that _____

Cuando hayas escrito tus oraciones de los ejercicios Part 2 y Part 3, puedes buscar el apoyo de algún Asesor de Inglés en el Centro de Autoacceso USBI Xalapa para que los revise y te haga observaciones/sugerencias en caso de ser necesario.

Good luck!
